

Ice Qube, Inc. Waste Electrical and Electronic Equipment (WEEE) Statement

Ice Qube, Inc. recognizes that maintaining an unpolluted environment is vital for a healthy life and sustainable growth for future generations. We're committed to our goals of adhering to environmental standards and being proactive in dealing with concerns for the environment through combining technological innovation with sound environmental business decisions at every step of a product's life cycle.

This symbol on the product(s) and/or accompanying documents means that used electrical and electronic products should not be mixed with general household waste. For proper treatment, recovery and recycling, please take this product(s) to designated collection points in your area.

The above symbol is only valid in the European Union. If you live outside the EU and wish to discard this product, please contact your local authorities, or dealer, and ask for the correct method of disposal.

Disposing of this product correctly will help save valuable resources and prevent any potential negative effects on human health and the environment which could otherwise arise from inappropriate waste handling.

Sincerely,

A handwritten signature in blue ink, which appears to read "Jeffrey Scott Palmer", is written over a horizontal line.
